NHS Staff Survey 2020 -
Working through the pandemic

This year has been a year like no other
- tell us what it has been like for you.

If you receive a questionnaire, please complete and return it as soon as you can.

- Your answers will be treated in confidence. No one in your organisation will be able to identify individual responses
- Results from this survey will be used, both nationally and in your organisation, to understand the impact of the pandemic on staff, improve working conditions for staff and ultimately improve patient care
