

2025 National NHS Staff Survey (NSS)

What is this survey and why are we asking you to complete it?

This is an independent survey of your experience of working in your organisation. The aim is to gather information that will help improve the working lives of NHS staff and so help to provide better care for patients.

Your organisation will be able to use the anonymised survey results to improve local working conditions and practices. Other organisations may use the results, including NHS commissioners, the Care Quality Commission, the Department of Health and Social Care, and NHS England.

Please complete the survey for your current job, or the job you do most of the time. If you work at more than one NHS organisation, please complete the survey for the organisation which sent you the invitation letter/email. Please read each question carefully, but give your immediate response by ticking the box which best matches your personal view.

Please note this survey includes questions relating to physical violence, bullying, harassment, or abuse at work, discrimination, and sexual violence.

The survey is conducted by [Contractor Name] and the NHS Staff Survey Coordination Centre on behalf of your organisation and NHS England, in partnership with trade unions.

The survey findings will be analysed by [Contractor Name] and the NHS Staff Survey Coordination Centre and the results will be presented in summary reports in which no individual can be identified.

Who will see my answers?

NO ONE IN YOUR ORGANISATION, OR THE NHS, WILL BE ABLE TO IDENTIFY INDIVIDUAL RESPONSES. Your answers will be treated in the strictest confidence. The bar code / number below is only used by [Contractor Name] to identify which staff should be sent a reminder.

If you have any queries about this questionnaire please contact the [Insert] helpline on [Insert] or go to www.nhsstaffsurveys.com
