

NHS Staff Survey for bank only workers 2026 (NSSB)

Please read each question carefully, but give your immediate response by ticking the box which best matches your personal view.

Please note this survey includes questions relating to physical violence, bullying, harassment, or abuse at work, discrimination, and sexual violence. One question asks about childhood circumstances, to see whether NHS staff from different backgrounds have different experiences at work.

No one in your organisation, or the NHS, will be able to identify individual responses. Answers will be treated in the strictest confidence.

The survey is conducted by Contractor Name and the NHS Staff Survey Coordination Centre on behalf of your organisation and NHS England, in partnership with trade unions.

If you have any queries about this questionnaire please contact the [CONTRACTOR] helpline on XXXX XXX XXXX, email [CONTRACTOR EMAIL] or go to www.nhsstaffsurveys.com

PERMISSION TO RECONTACT FOR FUTURE RESEARCH

Q50 The NHS Staff Survey for bank only workers is coordinated on behalf of NHS England by the NHS Staff Survey Coordination Centre, based at Picker, an independent health and social care charity. As part of the ongoing development of the survey, the NHS Staff Survey Coordination Centre may wish to conduct research to test and develop new survey questions.

Would you like to hear about any opportunities to get involved in testing and developing the questions used in the NHS Staff Survey?

If you select yes, you will be asked to provide your name and email address. By providing your name and email address, you agree to these details being shared with the NHS Staff Survey Coordination Centre at Picker only. Your contact details will not be shared with your organisation, NHS England, or any other third party, and will not be linked to any of the responses you have given in this survey. The NHS Staff Survey Coordination Centre will retain your contact details for a maximum of 12 months and will not use them for any purpose other than to let you know about opportunities to help with the development of the survey questions.
